

# Bilton Grange School Pupil Premium Report

The Pupil Premium is a sum of money the school receives from the Department for Education (DFE) for each pupil who is either in receipt of Free School Meals (FSM) or is a Looked After Child (LAC). Nationally the statistics show that these pupils achieve less well than other children. The aim of the Pupil Premium money is to try to close that attainment gap.

“It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility”. (DFE)

## Principles:

- We ensure that teaching and learning opportunities meet the needs of all of the pupils.
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of disadvantaged pupils are adequately assessed and addressed.
- In making provision for disadvantaged pupils, we recognise that not all pupils who receive free school meals will be disadvantaged.
- We also recognise that not all pupils who are disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

## Provision:

The range of provision the School may consider, include:

- Providing small group work with an experienced teacher focussed on overcoming gaps in learning.
- 1-1 support.
- Additional teaching and learning opportunities provided through learning mentors, trained TAs or external agencies.
- Acquiring effective materials aimed at raising standards, particularly in reading and mathematics.
- Pupil premium resources may also be used to target able children on FSM to achieve ‘mastery’ of their age related expectations.
- The school will publish information on how they have used their Pupil Premium Grant to address the issue of ‘narrowing the gap’, for socially disadvantaged pupils.
- Setting up a wide range of extra-curricular clubs and other enrichment activities which provide opportunities to extend skills.
- Providing extra teaching hours to support some of our youngest children, enabling them to achieve their learning goals sooner.

## Allocation:

- Pupil premium funding will be allocated following a needs analysis, which will identify groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

# Pupil premium strategy statement

1. Summary information					
<b>School</b>	Bilton Grange Primary School				
<b>Academic Year</b>	2017/18	<b>Total PP budget</b>	£53,700	<b>Date of most recent PP Review</b>	Sept 2017
<b>Total number of pupils</b>	323	<b>Number of pupils eligible for PP</b>	40	<b>Date for next PP Strategy Review</b>	Sept 2018

2. Current attainment at the end of Key Stage 2		
	<i>Pupils eligible for PPG at Bilton Grange</i>	<i>National average for PPG</i>
<b>% achieving the expected standard in reading, writing and maths</b>	<b>63% (5/8 pupils)</b>	54%
<b>Reading progress measure from KS1 to KS2</b>	<b>+7.4</b>	-0.7
<b>Writing progress measure from KS1 to KS2</b>	<b>+5.7</b>	-0.3
<b>Maths progress measure from KS1 to KS2</b>	<b>+2.8</b>	-0.5

3. Barriers to future attainment (for pupils eligible for PP)	
<b>In-school barriers</b>	
<b>A.</b>	Lower attainment rates of pupils eligible for PPG in KS1 could potentially affect pupils' ability to reach end of year expectations in Key Stage 2.
<b>B.</b>	Lower progress rates in pupils eligible for PPG in KS2 in maths compared to reading and writing result in lower % of children achieving expectation in R/W/M
<b>C.</b>	Low self-esteem and reduced empowering learning skills- including those eligible for PPG could affect attainment and progress rates by the end of Year 6 and affect their transition to KS3.
<b>External barriers</b>	
<b>D.</b>	Small group of children eligible for PPG have attendance rates of below 90% (compared to school average of 96%). This reduces their school hours and causes them to fall behind on average.
<b>E.</b>	Reduced opportunities for extra-curricular activities for pupils eligible for PPG could result in lower skill development across the curriculum.

4. Outcomes		Success criteria
<b>A.</b>	Attainment in reading, writing and maths in KS1 for pupils eligible for PPG is similar to rest of cohort.	Pupils eligible for PPG in KS1 make rapid progress by the end of the year so that most pupils eligible for PP meet age related expectations.
<b>B.</b>	KS2 maths progress rates are similar in reading and writing for pupils eligible for PPG.	Pupils eligible for PPG make as much progress in maths as they do in reading and maths by the end of Year 6.
<b>C.</b>	Improved social and emotional skills and attitudes to learning for all pupils including those eligible for PPG.	<p>-Increase in self-esteem for pupils eligible for PPG as shown in self-esteem questionnaire.</p> <p>-Increase in empowering learning skills in Year 5 using evidence from homework and pre/post learning data.</p> <p>-Pupils in Year 6 develop empowering learning skills to further their readiness for KS3 using evidence from pre/post learning data.</p>
<b>D.</b>	Increased attendance rates for small group of pupils eligible to PPG	Reduce the number of persistent absentees among pupils eligible for PPG. Overall PP attendance improves from below 90% to at least in line with other groups of pupils.
<b>E.</b>	Increased extra-curricular opportunities for pupils eligible for PPG	-Pupils eligible for PPG have increased number of opportunities to attend after school provision including after school clubs, holiday clubs, school trips including residential trips, and other extra-curricular opportunities that may arise throughout the year.
