

Dear Parents/Carers,

As a school we are always looking for new ways to help your children engage with their learning and have an interest in the world around them. As a result I have registered our school with the First News website. First News is a weekly newspaper for children that can be viewed online or delivered to your home. They are offering special deals for subscriptions in the run up to the festive period offering good value for parents or grandparents wanting to set up a subscription for their children. If you decide that you would like to take out a subscription for your child, First News will give £2 to our school for every subscription taken out. This simply involves picking our school name from a drop down menu when placing your order. Your child will be bringing home a leaflet today with details of how to subscribe and how to link your subscription to our school so that we can benefit.

If you have any questions about this or are unsure how to complete the subscription form, then please feel free to contact me at school.

Yours sincerely,

Mrs Anna Baldini

Year 3/4 Class teacher
