Easter Competition

Dear parent/carers

We are inviting all the EYFS & KS1 children with the help of any creative family member to design and make an Easter hat or Easter decoration to be displayed in our classroom.

We would like the children to think of an Easter wish about how they would like to grow as a person as we think about spring and new life.

The Grand Parade will take place on Friday 12th April during assembly in the school hall. Easter prizes will be given to the most inventive creations and to where the children themselves have had a larger input.

You can bring their clearly named project at any time during the last week of term but by the start of school on Friday 12th April at the latest please.

There are many lovely ideas on 'pinterest' if you need any inspiration.

Many thanks and have fun!

Yours sincerely

Mrs James
