

EYFS Homework Challenge!

Bronze Award	All red compulsory tasks completed + 1 black task
Silver Award	All red compulsory tasks completed + 2 black tasks
Gold Award	All red compulsory tasks completed + 3 black tasks

The focus is QUALITY WORK, not just completing tasks quickly. Think carefully about the presentation and content of your work to make sure you give your best to produce work you can be proud of. You can complete this on the computer, by hand or a bit of both!

Don't Forget:

- Be creative.
- Think carefully about your presentation.
- Always try your best.

Please return **your completed black tasks as you complete them** to share in class and to create a class folder.

There will be a half-way check on **Tuesday 7th June 2022**

All compulsory red and black tasks need to be handed in by Friday 15th July 2022

COMPULSORY RED TASKS	<p>Reading To read school reading book or practise sounds and words in the phonics pack (previously provided).</p> <p>Make sure an adult makes a record of your reading/phonics practice in your reading record.</p>	<p>Maths and English sheets for the whole term have been included in this folder.</p> <p>Your child has a term to complete the sheets; they might complete a sheet each week or two every other week. You know your child best so please complete at a pace which works for them.</p> <p>Please keep the sheets in the folder and return to school for the half-way check and final date for completion.</p>	
	<p><u>Empowering Learning – Resourceful thinkers</u> Summer 1st half-term Be willing to have a go at new activities. Use imagination to make things. Show determination when working on a task. Eg: riding a bike without stabilisers.</p>	<p><u>Empowering Learning – Reflective Learners</u> Summer 2nd half-term Show how I enjoy some things but not others by my feelings. Talk about something I have enjoyed.</p>	
ADDITIONAL BLACK TASKS	<p>Make a 3D vehicle. This can be any vehicle and can be made from any materials.</p>	<p>Sort numbers to 20 into odd or even and record them in an imaginative way.</p> <p>Practise your doubles and halves of numbers to 10</p>	<p>Collect pictures of different vehicles. How many different types of vehicle can you find?</p>
	<p>Visit a local shop and use your own coins to buy small items.</p>	<p>Draw a map of your route to school. How do you travel? What do you see on your journey? How long does it take?</p>	<p>Make a diary of your day, showing the times you do certain activities, eg: on a clock face show what time you eat breakfast.</p>
