

## Year 5/6 Home Learning Timetable Autumn 2021/2022

Dear Parent/Carer,

Please find below a home learning timetable for your child to follow during their period of self-isolation. The activities are linked to our topic areas for the Autumn Term. Some activities may need to be printed out in order to complete them, however we have tried to keep the majority of tasks accessible without a printer. Any work your child completes can be either brought back into school on their return or photographed and saved in their personal folder on Purple Mash. Your child has a log-in for Purple Mash in the front of their reading record. All work can be found in their class folder in the folder **Home Isolation work 2021 2022**.

If you have any questions, please contact the school via email or telephone and we will get back to you as soon as we can.

Thankyou for supporting your child's continued learning during this period of self-isolation.

Best Wishes,

The Year 5/6 Team

## UKS2 Home Learning

<b>Mental Maths</b>  20 mins	<ol style="list-style-type: none"><li>1. Online - <a href="#">Times Tables Rock Stars</a> Enter our school postcode on the initial login page - HG1 3BA. Your child's username and password should be stuck in on the inside of the front cover of their reading record book. Times Tables Certificates will be awarded as normal on a Friday - so keep practising!</li><li>2. Online - <a href="#">Hit the Button</a>– choose your own activity and level</li></ol>
<b>Maths</b>  45 mins	<p><a href="https://www.bbc.co.uk/bitesize/this-terms-topics">https://www.bbc.co.uk/bitesize/this-terms-topics</a></p> <p>Follow the link above and click on your year group. Select <b>Maths</b> and then you can choose to work on <b>Place Value, Addition and Subtraction, Multiplication and Division</b> or <b>Fractions</b></p> <p>Pick a lesson that you would like to practise. Play the quiz. Watch the video. Read the Learning information and then play the <i>Guardians: Defenders of Maths</i> game. When you choose your battle within the game. Choose a battle that matches the learning that you have practised. For example if you worked on Place Value select the Palace of Place Value for your battle.</p>
