Message from Mrs James

Dear parent/carer

It's been a very busy start to the last half term of the year with lots of things going on in school.

This morning we have welcomed our new starters into school for their second morning in Reception. Today they have enjoyed staying for lunch and we are looking forward to welcoming them full-time in September

Thank you to everyone who attended our Sports Days this week for all our key stages. The children and adults all had a great time and it was a fantastic show of sportsmanship. The toddler race at the Reception/KS1 Sports Day definitely deserves a special mention!

Year 5/6 children are currently working hard practising for the end of year production. Tickets are now available to buy if you want to come and watch.

Have a lovely weekend!

WHAT'S HAPPENING IN SCHOOL?

Events this week

It's been a busy couple of weeks! Year 3/4 had a brilliant time at the triathlon. They also got busy exploring Harlow Carr too. The whole school took part in Sports Day this week. The children put in an amazing effort, especially given the temperatures!

We have been using the 'Now Press Play' equipment across school this week. This is a virtual experience, and the children have been fully engaged and enthusiastic, enjoying the immersive storytelling and interactive learning opportunities it provides.

Clubs

Gardening Club had fun exploring herbs this week! They went on a hunt in the garden for mint and sage, and planted their own herbs to take home and care for. The children also explored a variety of herbs commonly used in cooking. Some even took a risk and tried eating a mint leaf — there were very mixed reactions, but it was great to see them giving it a go!

Upcoming events

Our Year 5/6 children are busy practicing for their production – it sounds amazing! Don't forget to get your tickets.

Don't forget the Summer Fair is happening on Friday 4th July, lots of fun events, not to be missed!

Attendance at Bilton Grange

Why is it important to be on time for school each day?

Tips for parents - Are you having trouble getting your child to school?

If so, a set routine can help:

- Have a set time to go to bed
- Have a set time to get out of bed
- Have uniform and school bag ready the night before
- Have a set time for starting and finishing breakfast
- Set a time for daily homework activities
- Speak about school positively
- Be firm, send your child to school every school day including their birthday and the last day of term!

Thank you for your support in helping your child get to school on time each day!
