Statement of intent

YCAT recognises that certain groups in society can be disadvantaged because of unlawful discrimination they may face due to their race, sex, disability, gender reassignment, marriage/civil partnership, religion/belief, sexual orientation or age.

This policy will put in place a range of actions to eliminate prejudice, unlawful discrimination and victimisation within the Trust community and workforce.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Human Rights Act 1998
- The Special Educational Needs and Disability Regulations 2014
- Education and Inspections Act 2006
- Equality Act 2010
- The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017
- Public Sector Equality Duty (PSED)
- Data Protection Act 2018
- The UK General Data Protection Regulation (GDPR)

This policy also has due regard for non-statutory guidance, including the following:

The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination harassment and victimisation
- Advance equality of opportunity
- Foster good relations

For the purpose of this policy, the Equality Act 2010 will be referred to as 'the Act'. The trust fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities. Protected characteristics, under the Act, are as follows:

- Age
- Disability
- Race, colour, nationality or ethnicity
- Sex
- Gender reassignment
- Maternity and pregnancy
- Religion and belief
- Sexual orientation

- Marriage and civil partnership

The Act makes it unlawful for the responsible body of the Trust to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

The responsible body for the Trust the Board of Trustees.

The Trust's liability not to discriminate, harass or victimise does not end when a pupil has left the school, but will apply to subsequent actions connected to the previous relationship between school and pupil, such as the provision of references on former pupils or access to "old pupils" communications and activities.

The Trust will promote equality of opportunity for all staff and job applicants

2. Principles and aims

We see all learners and potential learners, and their parents, as of equal value, regardless of any protected characteristic. Our policies, procedures and activities will not discriminate but must nevertheless take account of differences in life-experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

All YCAT schools and the YCAT central team will:

- Promote race equality and have due regard to eliminating unlawful racial discrimination, promoting equality of opportunity and good relations between people of different racial groups.
- Promote disability equality, ensuring equality of opportunity, eliminating unlawful discrimination and disability-related harassment and encouraging participation by disabled people in public life.
- Promote gender equality by eliminating unlawful discrimination and harassment, and promote the equality of opportunity amongst individuals of all genders.
- Recognise the overlap between equality, inclusion and SEND and will ensure reasonable adjustments are made to remove barriers to participation, learning and achievement.

Transgender people are explicitly covered by the PSED. For the purposes of this policy, the term 'transgender' refers to an individual whose gender expression or identity is different from that traditionally associated with the sex they were assigned at birth. The school will respect the confidentiality of those seeking

gender reassignment and will provide a supportive environment within the community.

YCAT is opposed to all forms of prejudice and recognises that children and young people who experience any form of prejudice-related discrimination may fare less well in the education system. Prejudice-related incidents include those occurring online, through social media, messaging platforms, gaming environments and the use of digital technologies. The Trust will ensure that all staff comply with the appropriate equality legislation and regulations. YCAT schools' Admissions Policies will not discriminate against any protected characteristic in any way.

YCAT schools and central team will:

- Ensure staff are aware of their responsibilities, given necessary training and support, and report progress to the governing board and Trustees.
- Ensure that the recording and reporting of equality and diversity is sufficiently scrutinised.
- Foster positive attitudes and relationships, a shared sense of cohesion and belonging, and ensure this is promoted in our policies, procedures and activities.
- Observe good equalities practice in staff recruitment, retention and development, and ensure that all policies and procedures benefit all employees and potential employees regardless of any protected characteristic, and with full respect for legal rights relating to pregnancy and maternity.
- Reduce and remove inequalities and barriers that already exist.
- Engage with a range of groups and individuals to ensure that those who are affected by a policy, procedure or activity are consulted and involved in the design of new policies, and in the review of existing ones.
- Ensure that policies, procedures and activities benefit society as a whole, both locally and nationally, by fostering greater social cohesion, and greater participation in the public life of everyone, regardless of any protected characteristic.
- Ensure staff promote an inclusive and collaborative ethos, challenging inappropriate language and behaviour, responding appropriately to incidents of discrimination and harassment, and showing appropriate support for pupils with additional needs, maintaining a good level of awareness of issues surrounding equality.

Any person, including a member of the public, is able to make a complaint about the provision of facilities or services that the schools provide.

The schools will adhere to the Complaints Policy to ensure a straightforward, impartial, non-adversarial process, that allows a full and fair investigation, respects confidentiality and delivers an effective response and, appropriate

redress. If the school has completed the Trust process and the complainant remains dissatisfied, they have the right to appeal, as outlined in the Complaints Policy.

YCAT schools work to develop good professional relationships between colleagues; however, sometimes conflicts may arise.
